The Directors present their report together with the financial statements of Vysarn Limited ("the Company"), for the financial year ended 30 June 2019 and auditor's report thereon.

## 1. DIRECTORS

The names and the particulars of the Directors of the Company during the year and to the date of this report are:

Name	Status	Appointed
Peter Hutchinson	Executive Chairman	Appointed 27 October 2017
Faldi Ismail	Non-Executive Director	Appointed 20 December 2016
Nicholas Young	Non-Executive Director	Appointed 20 December 2016
Sheldon Burt	Non-Executive Director	Appointed 15 May 2019
Christopher Brophy	Non-Executive Director	Appointed 15 May 2019

## 2. COMPANY SECRETARY

The following person held the position of Company Secretary at the end of the financial year:

### Kyla Garic

Ms Garic was appointed as Company Secretary on 15 November 2017. Ms Garic is a Chartered Accountant and Director of Onyx Corporate. Onyx Corporate provides financial reporting, accounting, company secretarial and other services primarily to ASX listed companies. Ms Garic has acted as a Non-Executive Director and Company Secretary for a number of ASX listed companies.

## 3. PRINCIPAL ACTIVITIES

During the financial year, the principal activities of the Company consisted of the assessment of new opportunities to facilitate the relisting of the Company on the ASX with a view to increasing shareholder value, whilst preserving the Company's cash reserves. In April 2019 the Company entered an agreement with Ausdrill Northwest Pty Ltd and Pentium Hydro Pty Ltd under which it will acquire various waterwell drilling assets and associated inventory as described in the Review of Operations section below (**Transaction**). Upon completion, the Transaction will result in a significant change to the nature and scale of the Company's activities and the Company will be reinstated to the Official List of the ASX as a provider of production critical waterwell drillingservices.

## 4. DIVIDENDS PAID OR RECOMMENDED

There were no dividends paid, recommended or declared during the current or previous financial year.

## 5. REVIEW OF OPERATIONS

On 11 April 2019 the Company announced it had entered into an Asset Sale Agreement with Pentium Hydro Pty Ltd (**Pentium**) and Ausdrill Northwest Pty Ltd (a subsidiary of Ausdrill Limited (ASX:ASL)) (**Ausdrill**) to acquire various waterwell drilling assets (and associated inventory) used by Ausdrill to conduct its hydrogeological drilling business known as 'Connector Drilling'. In consideration for the acquisition of the Assets, the Company has agreed to pay Ausdrill \$16 million at completion. The consideration will be paid by the Company from existing cash, funds from a Public Offer of Shares to raise at least \$5M and up to \$7M and an \$8.8M Debt Facility obtained from Westpac Banking Corporation Ltd.

The Asset Sale Agreement is the result of a comprehensive identification and evaluation process by the Board over the past ~2 years seeking to acquire assets that it believes can provide future value for shareholders. Following Shareholder approval of the Transaction obtained at the General Meeting held on 5 July 2019, completion of the acquisition of the Assets remains conditional upon satisfaction of the various conditions precedent including the Company obtaining finance to satisfy the purchase price under the agreement and ASX approval.

In connection with the Asset Sale Agreement, the Company also entered into the Share Sale Agreement with Insight Ecosys Pty Ltd (controlled by Mr Brophy) and Connada Pty Ltd (controlled by Mr Burt), pursuant to which the Company will acquire the entire issued share capital of Pentium from the Pentium Vendors. In consideration for the acquisition of Pentium, the Company has agreed to issue to Pentium Vendors (and/or their nominees) a total of 7,800,000 shares. Completion of the Share Sale Agreement will take place just prior to completion of the Asset Sale Agreement, and Pentium will become a wholly owned (and primary operating) subsidiary of the Company.

## 5. REVIEW OF OPERATIONS (CONTINUED)

Completion of the acquisition of Pentium remains subject to all the conditions precedent to the Asset Sale Agreement being satisfied.

On 15 May 2019, Messers Burt and Brophy were appointed as Non-Executive Directors of the Company. Mr Burt and Mr Brophy have key roles in implementing the Transaction and will move into Executive Director positions following completion of the Transaction.

## 6. LIKELY DEVELOPMENTS

Subject to satisfying the conditions precedent to the Transaction as outlined above Pentium (as a wholly owned subsidiary of the Company) intends to commence drilling services operations.

## 7. FINANCIAL PERFORMANCE

The loss for the Company after providing for income tax amounted to \$483,826 (30 June 2018: Profit of \$296,558).

Working capital, being current assets less current liabilities, was \$6,924,146 (30 June 2018: \$7,407,972). The Company had negative cash flows from operating activities for the year amounting to \$422,620 (2018: Positive cash flows from operating activities of \$227,166).

## 8. SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

Significant changes in the Company's state of affairs during the year are presented in the Review of Operations section above. Changes subsequent to year end are presented in the Events Subsequent to Reporting Date section below. There were no other significant changes in the Company's state of affairs during the year.

## 9. EVENT SUBSEQUENT TO REPORTING DATE

On 5 July 2019, the Company's shareholders approved at its General Meeting:

- Change to the Nature and Scale of Company's Activities;
- Ratification of prior election of Messers Burt and Mr Brophy as Directors;
- Issue of 7,800,000 Pentium Vendor shares to the Pentium Vendors pursuant to the share sale agreement on completion of the Transaction;
- Issue of up to 129,629,630 fully paid ordinary shares at an issue price of \$0.054 per share under a Public Offer;
- Related party's participation in Public Offer for Mr Hutchinson to the extent of up to 20,129,630 shares at an issue price of \$0.054 per share for a subscription amount up to \$1,087,000;
- Related party's participation in Public Offer for Mr Ismail to the extent of up to 5,175,926 shares at an issue price of \$0.054 per share for a subscription amount up to \$279,500;
- Related party's participation in Public Offer for Mr Young to the extent of up to 5,175,926 shares at an issue price of \$0.054 per share for a subscription amount up to \$279,500;
- Related party's participation in Public Offer for Mr Burt to the extent of up to 1,851,852 shares at an issue price of \$0.054 per share for a subscription amount up to \$100,000;
- Related party's participation in Public Offer for Mr Brophy to the extent of up to 1,851,852 shares at an issue price of \$0.054 per share for a subscription amount up to \$100,000;
- Issue up to 15,500,000 shares, or cash payment, up to \$837,000 to Mr Hutchinson or his nominee for consideration of past service to the Company on completion of the Transaction;
- Issue up to 4,250,000 shares, or cash payment, up to \$229,500 to Mr Ismail or his nominee for consideration of past service to the Company on completion of the Transaction;
- Issue up to 4,250,000 shares, or cash payment, up to \$229,500 to Mr Young or his nominee for consideration of past service to the Company on completion of the Transaction;
- 5,000,000 Performance Rights to Mr Burt have been approved which was contemplated by the Burt ESA and to be issued on completion of the Transaction;
- 5,000,000 Performance Rights to Mr Brophy have been approved which was contemplated by the Brophy ESA and to be issued on completion of the Transaction; and
- 10,000,000 Options to Mr Hutchinson to be issued as per NED agreement on completion of the Transaction.

On 10 July 2019 the Company, together with Pentium, entered into a binding conditional financing agreement with Westpac Banking Corporation Limited. Under the facility, subject to the satisfaction of specified conditions, Westpac will provide debt funding of \$8.8 million as part of the funding for the acquisition by the Company and Pentium of various waterwell drilling assets (and associated inventory) from Ausdrill.

## 9. EVENT SUBSEQUENT TO REPORTING DATE (CONTINUED)

On 11 July 2019, the Company lodged a prospectus to ASIC for its offer to the public of up to 129,629,630 shares at an issue price of \$0.054 each to raise a total of up to \$7million (before costs). It was also announced that ASX has extended the Company's de-listing deadline to the commencement of trading on 11 October 2019. The extension was granted on the basis that the Company is in the final stages of completing the Transaction.

On 26 July 2019, the Company lodged a supplementary prospectus with ASIC under which the Company announced that it had entered into a deed of assignment with Pentium, Hancock Prospecting Pty Ltd (**Hancock**) and Ausdrill under which Ausdrill's rights and obligation under its existing drilling services contract with Hancock will be assigned to the Company and Pentium with effect from completion of the Asset Sale Agreement.

On 14 August 2019, the Company lodged a second supplementary prospectus with ASIC noting that it had received strong demand from investors under the Public Offer in excess of the full subscription amount of \$7,000,000 and extended the closing date of the public offer (and ancillary offers) to Monday 26 August 2019 to allow investors sufficient time to transfer funds and return application forms.

On 16 August 2019, the Company lodged a third supplementary prospectus with ASIC under which the Company announced that Pentium had entered into a hire agreement with Easternwell in which under the agreement, will hire, on a dry hire arrangement, two rigs (and ancillary equipment) for use at BHP's mining operation in Olympic Dam, South Australia.

There is no other matter or circumstance that has arisen since 30 June 2019 other than mentioned above that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

## 10. ENVIRONMENTAL REGULATION

In the normal course of business, there are no environmental regulations or requirements that the Company is currently subject to.

### 12. MEETINGS OF DIRECTORS

The number of meetings of the Company's Board of Directors ('the Board') held during the year ended 30 June 2019, and the number of meetings attended by each Director was:

	Full Board	
	Attended	Held
Peter Hutchinson	3	3
Faldi Ismail	3	3
Nicholas Young	3	3
Sheldon Burt	-	-
Chris Brophy	-	-

Held: Represents the number of meetings held during the time the Directors held office.

There is no separate committee and all matters are dealt with by the full Board. The Board met informally on a number of occasions to discuss ongoing opportunities with formal board meetings held intermittently to fully assess such opportunities and perform government activities.

### 13. INDEMNITY AND INSURANCE OF OFFICERS

To the extent permitted by law, the Company has indemnified the Directors and executives of the Company for costs incurred, in their capacity as a Director or executive, for which they may be held personally liable.

During the financial year, the Company paid a premium in respect of a contract to insure the Directors and executives of the Company against a liability to the extent permitted by the *Corporations Act 2001*. The contract of insurance prohibits disclosure of the nature of the liability and the amount of the premium.

The liabilities insured are legal costs that may be incurred in defending civil or criminal proceedings that may be brought against the officers in their capacity as officers in the Company, and any other payments arising from liabilities incurred by the officers in connection with such proceedings. This does not include such liabilities that arise from conduct involving a wilful breach of duty by the officers or the improper use by the officers of their position or of information to gain advantage for themselves or someone else or to cause detriment to the Company. It is not possible to apportion the premium between amounts relating to the insurance against legal costs and those relating to other liabilities.

#### Indemnity and insurance of auditor

The Company has not, during or since the end of the financial year, indemnified or agreed to indemnify the auditor of the Company or any related entity against a liability incurred by the auditor.

#### 14. SHARES UNDER OPTION

At the date of this report there are nil unissued ordinary share under option of Vysarn Limited.

#### 15. PROCEEDINGS ON BEHALF OF THE COMPANY

No person has applied to the Court under section 237 of the *Corporations Act 2001* for leave to bring proceedings on behalf of the Company, or to intervene in any proceedings to which the Company is a party for the purpose of taking responsibility on behalf of the Company for all or part of those proceedings.

#### 16. NON-AUDIT SERVICES

During the last financial year, Pitcher Partners BA&A Pty Ltd consented to, and was appointed, as the Company's auditors.

The Company may decide to employ the auditor on assignments in addition to their statutory audit duties where the auditor's expertise and experience with the Company are important. Non-audit services provided during the financial year by the auditor are detailed below. The Directors are satisfied that the provision of non-audit services is compatible with the general standard of independence for auditors imposed by the *Corporations Acts 2001*.

	30 June 2019	30 June 2018
	\$	\$
<b>Amount paid/payable to Pitcher Partners BA&amp;A Pty Ltd or related entities for non-audit services</b>		
Pitcher Partners Accountants & Advisors WA Pty Ltd – Taxation compliance services	4,555	-
<b>Total auditors' remuneration for non-audit services</b>	<b>4,555</b>	<b>-</b>

In the event that non-audit services are provided by Pitcher Partners, the Board has established certain procedures to ensure that the provision of non-audit services are compatible with, and do not compromise, the auditor independence requirement of the *Corporation Act 2001*. These procedures include:

- Non-audit services will be subject to the corporate governance procedures adopted by the Company and will be reviewed by the Board to ensure they do not impact the integrity and objectivity of the auditor; and
- Ensuring non-audit services do not involve reviewing or auditing the auditor's own work, acting in a management or decision-making capacity for the Company, acting as advocate for the Company or jointly sharing risks and rewards.
- Decision on non-audit services were decided upon by the full Board in the absence of any audit committee meetings.

#### 17. AUDITOR'S INDEPENDENCE DECLARATION

The auditor's independence declaration as required under section 307C of the *Corporations Act 2001 (Cth)* for the year ended 30 June 2019 has been received and can be found on page 14 of the Financial Report.

#### 18. ROUNDING OF AMOUNTS

In accordance with *ASIC Corporations (Rounding in Financial/Director's Reports) Instrument 2016/191*, the amounts in the Directors' report and in the financial report have been rounded to the nearest \$1 (where rounding is applicable).

#### REMUNERATION REPORT (AUDITED)

The remuneration report for the year ended 30 June 2019 outlines the remuneration arrangement of the Company in accordance with the requirements of the *Corporations Act 2001 (Cth)*, as amended (the Act) and its regulations. This information has been audited, as required by section 308(3C) of the Act.

## REMUNERATION REPORT (AUDITED)

The remuneration report is set out under the following main headings:

1. Introduction
2. Remuneration governance
3. Executive remuneration arrangement
4. Non-Executive Director fee arrangement
5. Details of remuneration
6. Share-based compensation
7. Loans to Directors and executives
8. Other transactions and balances with KMP and their related parties

Details of the nature and amount of each element of the remuneration of each of the Key Management Personnel ("KMP") of the Company (the Directors and executives) for the year ended 30 June 2019 are set out below:

Key Management Personnel covered under this report are as follows:

Name	Status	Appointed
Peter Hutchinson	Executive Chairman	Appointed 27 October 2017
Faldi Ismail	Non-Executive Director	Appointed 20 December 2016
Nicholas Young	Non-Executive Director	Appointed 20 December 2016
Sheldon Burt	Non-Executive Director	Appointed 15 May 2019
Christopher Brophy	Non-Executive Director	Appointed 15 May 2019

### 1. Introduction

KMP have authority and responsibility for planning, directing and controlling the major activities of the Group. KMP comprise the Directors of the Company.

Compensation levels for KMP are competitively set to attract and retain appropriately qualified and experienced Directors and executives. The Board may seek independent advice on the appropriateness of compensation packages, given the trend in comparative companies both locally and internationally and objectives of the Company's compensation strategy.

#### *Principles used to determine the nature and amount of remuneration*

The objective of the Company's executive reward framework is to ensure reward for performance is competitive and appropriate for the results delivered. The framework aligns executive reward with the achievement of strategic objectives and the creation of value for shareholders, and it is considered to conform to the market best practice for the delivery of reward. The Board of Directors ('the Board') ensures that executive reward satisfies the following key criteria for good reward governance practices:

- Competitiveness and reasonableness;
- Acceptability to shareholders;
- Performance linkage/alignment of executive compensation;
- Transparency; and
- Capital management.

The Board is responsible for determining and reviewing remuneration arrangements for its Directors and executives. The performance of the Company depends on the quality of its Directors and executives. The remuneration philosophy is to attract, motivate and retain high performing and high quality personnel.

The Company has structured a market competitive executive remuneration framework.

## REMUNERATION REPORT (AUDITED) (CONTINUED)

### 1. Introduction (continued)

The reward framework is designed to align executive reward to shareholders' interests. The Board has considered that it should seek to enhance shareholders' interests by:

- Focusing on shareholder value and returns; and
- Attracting and retaining high caliber executives.

Additionally, the reward framework should seek to enhance executives' interests by:

- Rewarding capability and experience;
- Reflecting a competitive reward for contribution to growth in shareholder wealth;
- Providing a clear structure for earning rewards; and
- Providing recognition for contribution.

Given the extent of the Company's operations in the current and previous financial year, no aspects of KMP compensation has been dependent on the satisfaction of performance conditions.

### 2. Remuneration governance

The Directors believe the Company is not currently of a size nor are its affairs of such complexity as to warrant the establishment of a separate remuneration committee. Accordingly, all remuneration matters are considered by the full Board of Directors, in accordance with a nomination and remuneration committee charter. During the financial year, the Company did not engage any remuneration consultants.

### 3. Executive remuneration arrangements

The compensation structures are designed to attract suitably qualified candidates, reward the achievement of strategic objectives, and achieve the broader outcome of creation of value for shareholders. Compensation packages may include a mix of fixed compensation, equity-based compensation, as well as employer contributions to superannuation funds. Shares and options may only be issued to Directors subject to approval by shareholders in a general meeting.

At this stage the Board does not consider the Company's earnings or earnings related measures to be an appropriate key performance indicator (KPI). In considering the relationship between the Company's remuneration policy and the consequences for the Company's shareholder wealth measures such as successful completion of business development and corporate activities are considered.

The Company has entered into an executive services agreement on 24 June 2019 with each of Mr Burt and Mr Brophy in respect of their proposed employment as Executive Directors of the Company, subject to the completion of the Acquisition. The terms of Mr Burt and Mr Brophy's agreements are the same, and the key terms are set out below;

- (a) Remuneration:** Each Executive Director will receive:
- (i) a commencement fee of \$10,500;
  - (ii) a base salary of \$300,000 per annum, excluding mandatory superannuation contributions;
  - (iii) a short term incentive of up to \$150,000 per annum, subject to the achievement of certain short term incentive key performance indicators; and
  - (iv) a long term incentive being the issue of 5,000,000 Performance Rights.
- (b) General termination:** the agreement can be terminated:
- (i) by either party for no reason by giving 3 months' notice in writing to the other party;
  - (ii) by the Executive Director if the Company breaches the agreement and does not remedy the breach within 10 business days on notice of breach; and
  - (iii) by the Company effective immediately in the event the Executive Director is guilty of gross misconduct, becomes bankrupt or insolvent, is convicted of a criminal offence or other similar grounds.

**REMUNERATION REPORT (AUDITED) (CONTINUED)**

**3. Executive remuneration arrangements**

- (c) **Termination on material diminution:** an Executive Director can terminate the agreement if he suffers material diminution in his status or position in the Company. If this occurs:
- (i) within 2 years of employment, the Company will pay the Executive Director an amount equal to 3 months base salary, and 50% of the Performance Rights held by him shall vest subject to any restrictions the Board may impose; and
  - (ii) after 2 years of employment, the Company will pay the executive Director an amount equal to 3 months base salary, and all of the Performance Rights held by him shall vest subject to any restrictions by the Board may impose.

**4. Non-Executive Director fee arrangement**

Fees and payments to non-executive Directors reflect the demands and responsibilities of their role. Non-executive Directors' fees and payments are reviewed annually by the Board. The Board may, from time to time, receive advice from independent remuneration consultants to ensure non-executive Directors' fees and payments are appropriate and in line with the market. The Executive Chairman's fees are determined independently to the fees of other non-executive Directors based on comparative roles in the external market. The Chairman is not present at any discussions relating to the determination of his own remuneration. Non-executive Directors do not receive share options or other incentives.

The maximum aggregate amount of fees that can be paid to Non-Executive Directors is presently limited to an aggregate of \$200,000 per annum and any change in subject to approval by shareholder at the general meeting. Fees for Non-Executive Directors are not linked to the performance of the Company.

*Voting and comments made at the company's 2018 Annual General Meeting ('AGM')*

Vysarn Limited received more than 90% of "yes" votes on its remuneration report for the 2018 financial year. The Company did not receive any specific feedback at the AGM or throughout the year on its remuneration practices.

**5. Details of remuneration**

**NOTE 1: GENERAL INFORMATION**

Vysarn Limited is a listed public Company limited by shares, incorporated and domiciled in Australia. The Company is a for-profit entity. Its registered office and principal place of business is 108 Outram Street, West Perth, WA 6005.

The financial statements are presented in Australian dollars, which is Vysarn Limited's functional and presentation currency.

The financial statements were authorised for issue, in accordance with a resolution of Directors, on 23 August 2019. The Directors have the power to amend and reissue the financial statements.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**a) Statement of Compliance**

These financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards ("AASBs") (including Australian interpretations) adopted by the Australian Accounting Standard Board ("AASB") and the *Corporations Act 2001*. These financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ('IASB').

**b) Basis of preparation**

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs.

*Comparatives*

The comparatives include the results of Alreco Pty Ltd, MHM Corporation USA LLC and Goldstock Ease Africa Limited (former subsidiaries). During the year ended 30 June 2018 the Company disposed of its 100% interest in the subsidiaries. The financial statements at 30 June 2019 are for the Company as a single entity. Supplementary information about the parent entity for financial year ending 30 June 2018 is disclosed in Note 15.

*Historical cost convention*

The financial statements have been prepared on an accrual basis and are based on historical cost modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

*Critical accounting estimates*

The Directors evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and available current information. Estimates assume a reasonable expectation of future events and are based on the current trends and economic data, obtained both externally and within the Company.

**c) Foreign currency translation**

*Foreign currency transactions*

In the prior year, 30 June 2018, foreign currency transactions are translated into Australian dollars using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at financial year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

*Foreign operations*

In the prior year, 30 June 2018, the assets and liabilities of foreign operations are translated into Australian dollars using the exchange rates at the reporting date. The revenues and expenses of foreign operations are translated into Australian dollars using the average exchange rates, which approximate the rates at the dates of the transactions, for the period. All resulting foreign exchange differences are recognised in other comprehensive income through the foreign currency reserve in equity.

The foreign currency reserve is recognised in profit or loss when the foreign operation or net investment is disposed of.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**d) Revenue recognition**

*Interest*

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

*Other revenue*

Other revenue is recognised when it is received or when the right to receive payment is established.

**e) Income tax**

The income tax expense or benefit for the period is the tax payable on that period's taxable income based on the applicable income tax rate for each jurisdiction, adjusted by the changes in deferred tax assets and liabilities attributable to temporary differences, unused tax losses and the adjustment recognised for prior periods, where applicable.

Deferred tax assets and liabilities are recognised for temporary differences at the tax rates expected to be applied when the assets are recovered or liabilities are settled, based on those tax rates that are enacted or substantively enacted, except for:

- When the deferred income tax asset or liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and that, at the time of the transaction, affects neither the accounting nor taxable profits; or
- When the taxable temporary difference is associated with interests in subsidiaries, associates or joint ventures, and the timing of the reversal can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are recognised for deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

The carrying amount of recognised and unrecognised deferred tax assets are reviewed at each reporting date. Deferred tax assets recognised are reduced to the extent that it is no longer probable that future taxable profits will be available for the carrying amount to be recovered. Previously unrecognised deferred tax assets are recognised to the extent that it is probable that there are future taxable profits available to recover the asset.

Deferred tax assets and liabilities are offset only where there is a legally enforceable right to offset current tax assets against current tax liabilities and deferred tax assets against deferred tax liabilities; and they relate to the same taxable authority on either the same taxable entity or different taxable entities which intend to settle simultaneously.

**f) Current and non-current classification**

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Company's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the Company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

**g) Financial Instruments**

**Initial recognition and measurement**

Financial assets and financial liabilities are recognized when the Company becomes a party to the contractual provisions to the instrument. For financial assets, this is the date that the Company commits itself to either the purchase or sale of the assets (ie, trade date accounting is adopted).

For personal use only

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**g) Financial Instruments (continued)**

**Classification and subsequent measurement**

*Financial liabilities*

Financial instruments are subsequently measured at amortised cost using the effective interest methods.

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest expense in profit or loss over the relevant period. The effective interest rate is the internal rate of return of the financial asset or liability. That is, it is the rate that exactly discounts the estimated future cash flows through the expected life of the instrument to the net carrying amount at initial recognition.

*Financial assets*

Financial assets are subsequently measured at fair value through profit or loss.

The initial designation of the financial instruments to measure at fair value through profit or loss is a one-time option on initial classification and is irrevocable until the financial asset is derecognised.

**Derecognition**

Derecognition refers to the removal of a previously recognised financial asset or financial liability from the statement of financial position.

*Derecognition of financial liabilities*

A liability is derecognised when it is extinguished (ie, when the obligation in the contract is discharged, cancelled or expires). An exchange of an existing financial liability for a new one with substantially modified terms, or a substantial modification to the terms of a financial liability is treated as an extinguishment of the existing liability and recognition of a new financial liability.

The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

*Derecognition of financial assets*

A financial asset is derecognised when the holder's contractual rights to its cash flows expire, or the asset is transferred in such a way that all the risks and rewards of ownership are substantially transferred.

All the following criteria need to be satisfied for derecognition of financial assets:

- the right to receive cash flows from the asset has expired or been transferred;
- all risk and rewards of ownership of the asset have been substantially transferred; and
- the Company no longer controls the asset (ie, the Company has no practical ability to make a unilateral decision to sell the asset to a third party).

**h) Impairment of non-financial assets**

Goodwill and other intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

**i) Goods and Services Tax ('GST') and other similar taxes**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

For personal use only

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**i) Goods and Services Tax ('GST') and other similar taxes (continued)**

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

**j) Research and Development Incentive refund**

To the extent the Company incurs eligible expenditure, annual R&D claims will continue to be made. Claims are submitted based on expenditure incurred during the year and independently verified for eligibility. The accounting policy adopted by the Company is to recognise the claims once reviewed by an independent expert and submitted to the ATO. During the year, the Company has not received R&D tax incentive refund (2018: \$406,958 R&D tax incentive refund received).

**k) New Accounting Standards adopted for the period**

The following Australian Accounting Standards have been issued or amended and are applicable to financial report of the Company for the first time at 30 June 2019.

**AASB 9 'Financial Instruments'**

AASB 9 supersedes pronouncement AASB 139 'Financial Instruments: Recognition and Measurement' and was adopted by the Company effective 1 July 2018. The standard brings together all three aspects of the accounting for financial instruments: classification and measurement, impairment, and hedge accounting. With the exception of hedge accounting, the Company has applied AASB 9 retrospectively, with the initial application date of 1 July 2018, as mentioned above. The Company does not currently apply hedge accounting.

As at the date of initial application, and following assessment by management, the effect of adopting AASB 9 did not have a material impact on the transactions and balances recognised in the financial statements.

The Company's accounting policies for financial instruments from 1 July 2018 are as follows:

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), and fair value through profit and loss.

The classification of financial instruments at initial recognition depends on the financial asset's contractual cashflow characteristics and the Company's business model for managing them. With the exception of the Company's trade receivables that do not contain a significant financing component, the Company initially measures the financial asset at its fair value plus, in the case of a financial asset not at fair value through profit and loss, transaction costs. Trade receivables that do not contain a significant financing component are measured at the transaction price determined in accordance with the Company's accounting policy for revenue recognition.

The Company applies the simplified approach in calculating Expected Credit Loss (ECLs) in respect to trade receivables. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date. In determining the provision required, the Company utilises its historical credit loss experience, adjusted only where appropriate for forward-looking factors specific to the debtors and economic environment.

Financial liabilities are classified, at initial recognition, as financial liabilities through fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade creditors and other payables which are carried at amortised cost.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**k) New Accounting Standards adopted for the period (continued)**

**AASB 15 'Revenue from Contracts with Customers'**

AASB 15 supersedes AASB 111 'Construction Contracts', AASB 118 'Revenue' and related interpretations and it applies with limited exceptions, to all revenue arising from contracts with its customers. AASB 15 established a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

AASB 15 requires the Company to exercise judgement, taking into account all the relevant facts and circumstances when applying each step of the model to contracts with customers. At the initial date of application (1 July 2018), the effect of adopting AASB 15 did not have a material impact on the transactions and balances recognised in the financial statements.

The Company's accounting policy for revenue and other income from 1 July 2018 is as follows:

Revenue is measured at the fair value of the consideration received or receivable after taking into account any discounts and rebates allowed. Any consideration deferred is treated as the provision of finance and is discounted at a rate of interest that is generally accepted in the market for similar arrangements. Revenue from contracts with customers is recognised when control of services is transferred to the customer at an amount of that reflects the consideration to which the Company expects to be entitled in exchange for those services. This standard has no impact as there is no revenue for the year ended 30 June 2019.

**l) New Accounting Standards not yet adopted**

**AASB 16 'Leases'**

AASB 16 requires leases to account for all leases under a single on balance sheet model in a similar way to finance leases under AASB 117 'Leases'. The standard includes two recognition exemptions for leases of 'low-value' assets (e.g., personal computers) and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payment (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset).

Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset.

Lessees will be required to remeasure the lease liability upon the occurrence of certain events (e.g., a change in the lease term, a change in future lease payments resulting from a change in an index or rate used to determine those payments). The lessee will generally recognise the amount of the re-measurement of the lease liability as an adjustment to the right-of-use asset.

Lessor accounting is substantially carries forward the lessor accounting requirements in AASB 117. Accordingly, a lessor continues to classify its leases as operating leases or finance leases, and to account for those two types of leases differently. AASB 16 also requires enhanced disclosure to be provided by lessors that will improve information disclosed about a lessor's risk exposure, particularly to residual value risk. This standard will have no impact on transition. The Transaction occurred after the balance date and hence do not impact the Company at 1 July 2019.

The Company has not early adopted any standards, interpretations or amendments that have been issued but are not yet effective.

**m) Going concern**

The financial statements have been prepared on a going concern basis. The Company is currently in process of completing the acquisition of various waterwell drilling assets from Ausdrill Limited (refer to Note 18 for further details) and expects to complete the Transaction and commence drilling service within the first half of the 2020 financial year.

Subsequent to year end, the Company has entered a binding conditional financing agreement with Westpac Banking Corporation Limited for a \$8.8 million debt funding facility. The Company has also lodged a prospectus to raise a total of up to \$7 million before costs (refer to note 18 for further information).

For personal use only

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**m) Going concern**

The Directors have reviewed a budget/forecast and having considered the above, are of the opinion that the use of the going concern basis is appropriate and that the Company will be able to pay its debts as and when they fall due for the next 12 months.

**n) Critical accounting judgement, estimates and assumption**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. Following is the significant management judgements made in applying the accounting policies of the Company.

*Business combination/asset acquisition (Transaction)*

As announced on 11 April 2019, the Company has entered into:

- an Asset Sale Agreement with Pentium Hydro Pty Ltd ("Pentium") and Ausdrill Northwest Pty Ltd ("Ausdrill") to acquire waterwell drilling assets (and associated inventory) for \$16,000,000 cash. The acquisition underpins the Company's aim to become a significant provider of production critical services and solutions to the resources, construction and utilities industry.
- a Share Sale Agreement with the shareholders of Pentium Hydro Pty Ltd ("Pentium") to acquire all the issued shares of Pentium in consideration for the issue of 7,800,000 shares in the Company at which point Pentium will become subsidiary of the Company.

At the date of this report the Transaction has not been completed and the accounting treatment for the transaction is yet to be assessed and finalised.

**NOTE 3: OPERATING SEGMENTS**

*Identification of reportable operating segments*

The Company has identified its operating segments based on the internal reports that are reviewed and used by the Board of Directors (the chief operating decision makers) in assessing performance and in determining the allocation of resources.

*Accounting policy for operating segments*

The operating segments were previously identified by management based on the nature of activities. The financial information presented to the chief operating decision makers is consistent with that presented in the statement of profit and loss and other comprehensive income, statement of financial position and statement of cash flows for the current and prior year.

**NOTE 13: EQUITY - ISSUED CAPITAL (CONTINUED)**

*Capital risk management*

The Company's objectives when managing capital is to safeguard its ability to continue as a going concern, so that it can provide returns for shareholders and benefits for other stakeholders and to maintain an optimum capital structure to reduce the cost of capital.

Capital is regarded as total equity as recognised in the statement of financial position.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets.

*Accounting policy for issued capital*

Ordinary shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

**NOTE 14: FINANCIAL INSTRUMENTS**

**Financial risk management objectives**

The Company's activities expose it to a variety of financial risks: market risk (including foreign currency risk, price risk and interest rate risk), credit risk and liquidity risk. The Company's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Company. The Company uses different methods to measure different types of risk to which it is exposed.

**Financial risk management objectives**

These methods include sensitivity analysis in the case of interest rate, foreign exchange and other price risks, ageing analysis for credit risk and beta analysis in respect of investment portfolios to determine market risk.

**Market risk**

*Foreign currency risk*

The Company is not exposed to any significant foreign currency risk.

**Price risk**

The Company is not exposed to any significant price risk.

**Interest rate risk**

The Company's only exposure to interest rate risk is in relation to deposits held. Deposits are held with reputable banking financial institutions.

The weighted average effective interest rate of the Company's deposit was 2.29% (2018: 1.60%).

The table below illustrate the impact on profit before tax based upon expected volatility of interest rates using market date and analysis forecasts.

**NOTE 14: FINANCIAL INSTRUMENTS (CONTINUED)**

**Credit risk**

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk related to balances with banks and other financial institutions is managed by the Group in accordance with approved Board policy. Such policy requires that surplus funds are only invested with counterparties with a Standard and Poor's rating of at least AA-. The Company has a strict code of credit, including obtaining agency credit information, confirming references and setting appropriate credit limits. The maximum exposure to credit risk at the reporting date to recognised financial assets is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the statement of financial position and notes to the financial statements. The Company does not hold any collateral.

The following table provides information regarding the credit risk relating to cash and money market securities based on Standard and Poor's counterparty credit ratings.

Cash and cash equivalents – AA Rated	9	6,983,931	7,411,551
		<u>6,983,931</u>	<u>7,411,551</u>

**Liquidity risk**

Liquidity risks arises from the possibility that the Company might encounter difficulty in settling its debts or otherwise meeting its obligation related to financial liabilities. Vigilant liquidity risk management requires the Company to maintain sufficient liquid assets (mainly cash and cash equivalents) to be able to pay debts as and when they become due and payable.

The Company manages liquidity risk by maintaining adequate cash reserves and continuously monitoring actual and forecast cash flows.

**Remaining contractual maturities**

The following tables detail the Company's remaining contractual maturity for its financial instrument liabilities. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the financial liabilities are required to be paid. The tables include both interest and principal cash flows disclosed as remaining contractual maturities and therefore these totals may differ from their carrying amount in the statement of financial position.

**NOTE 14: FINANCIAL INSTRUMENTS (CONTINUED)**

*Fair value of financial instruments*

Unless otherwise stated, the carrying amounts of financial instruments approximate their fair value. The carrying amounts of trade receivables and trade payables are assumed to approximate their fair values due to their short-term nature. The fair value of financial liabilities is estimated by discounting the remaining contractual maturities at the current market interest rate that is available for similar financial instruments.

**NOTE 16: RELATED PARTY TRANSACTIONS (CONTINUED)**

Onyx Corporate Pty Ltd, an entity associated with Mr Nicholas Young, received payments totalling \$54,150 in relation to accounting and Company secretarial services provided to the Company (2018: \$28,000).

During the year, the Company engaged with Otsana Pty Ltd trading as Otsana Capital (**Otsana**), an entity associated with Messer's Ismail and Young, to act as corporate advisor and lead manager in relation to the Transaction with Ausdrill Northwest Pty Ltd. The mandate will continue until the date of transaction completion, being successful reinstatement of the Company to the Official List of ASX or when either party terminates the agreement. Under the terms of the Mandate, the Company will pay the Lead Manager (and/or its nominee) a fee of \$180,000 (excluding GST) for corporate advisory and project management services provided in connection with the Acquisition and a capital raising fee of 6% (excluding GST) on the amount raised under the Public Offer. The services are otherwise being provided on terms standard for an agreement of this nature. During the year ended 30 June 2019, the Company has paid Otsana \$30,000 (2018: \$5,000). Commitments of \$150,000 remain at the end of reporting period (2018: Nil).

Bellanhouse Legal, an entity associated with former Director Mr Bryn Hardcastle, received payments in financial year 2018 of \$12,765 in relation to legal services provided to the Company.

There were no trade receivables from or trade payables to related parties for the financial year ending 30 June 2019 (2018: Nil).

There were no loans to / from related parties for the financial year ending 30 June 2019 (2018: Nil).

**NOTE 17: COMMITMENTS AND CONTINGENCIES**

On 11 April 2019 the Company announced it had entered into an Asset Sale Agreement with Pentium Hydro Pty Ltd (**Pentium**) and Ausdrill Northwest Pty Ltd (a subsidiary of Ausdrill Limited (ASX:ASL)) (**Ausdrill**) to acquire various waterwell drilling assets (and associated inventory) used by Ausdrill to conduct its hydrogeological drilling business known as 'Connector Drilling'. In consideration for the acquisition of the Assets, the Company has agreed to pay Ausdrill \$16 million at completion. The consideration will be paid by the Company from existing cash, funds from a Public Offer of Shares to raise at least \$5M and up to \$7M and an \$8.8M Debt Facility obtained from Westpac Banking Corporation Ltd.

The Asset Sale Agreement is the result of a comprehensive identification and evaluation process by the Board over the past ~2 years seeking to acquire assets that it believes can provide future value for shareholders. Following Shareholder approval of the Transaction obtained at the General Meeting held on 5 July 2019, completion of the acquisition of the Assets remains conditional upon satisfaction of the various conditions precedent including the Company obtaining finance to satisfy the purchase price under the agreement and ASX approval.

In connection with the Asset Sale Agreement, the Company also entered into the Share Sale Agreement with Insight Ecosys Pty Ltd (controlled by Mr Brophy) and Connada Pty Ltd (controlled by Mr Burt), pursuant to which the Company will acquire the entire issued share capital of Pentium from the Pentium Vendors. In consideration for the acquisition of Pentium, the Company has agreed to issue to Pentium Vendors (and/or their nominees) a total of 7,800,000 shares. Completion of the Share Sale Agreement will take place just prior to completion of the Asset Sale Agreement, and Pentium will become a wholly owned (and primary operating) subsidiary of the Company.

Completion of the acquisition of Pentium remains subject to all the conditions precedent to the Asset Sale Agreement being satisfied.

The Company has entered into corporate advisor and lead manager mandate with Otsana (an entity associated with Mr Faldi Ismail). Under the terms of the Mandate, the Company will pay the Lead Manager (and/or its nominee) a fee of \$180,000 (excluding GST) for corporate advisory and project management services provided in connection with the Acquisition (please refer to Note 2(n)) and a capital raising fee of 6% (excluding GST) on the amount raised under the Public Offer. The services are otherwise being provided on terms standard for an agreement of this nature. During the financial year ended 30 June 2019, the Company has paid Otsana \$30,000. Commitments of \$150,000 remain at the end of reporting period (2018: Nil).

- 10,000,000 Options to Mr Hutchinson to be issued as per NED agreement on completion of the Transaction.

On 10 July 2019 the Company, together with Pentium, entered into a binding conditional financing agreement with Westpac Banking Corporation Limited. Under the facility, subject to the satisfaction of specified conditions, Westpac will provide debt funding of \$8.8 million as part of the funding for the acquisition by the Company and Pentium of various waterwell drilling assets (and associated inventory) from Ausdrill.

On 11 July 2019, the Company lodged a prospectus to ASIC for its offer to the public of up to 129,629,630 shares at an issue price of \$0.054 each to raise a total of up to \$7million (before costs). It was also announced that ASX has extended the Company's de-listing deadline to the commencement of trading on 11 October 2019. The extension was granted on the basis that the Company is in the final stages of completing the Transaction.

On 26 July 2019, the Company lodged a supplementary prospectus with ASIC under which the Company announced that it had entered into a deed of assignment with Pentium, Hancock Prospecting Pty Ltd (**Hancock**) and Ausdrill under which Ausdrill's rights and obligation under its existing drilling services contract with Hancock will be assigned to the Company and Pentium with effect from completion of the Asset Sale Agreement.

On 14 August 2019, the Company lodged a second supplementary prospectus with ASIC noting that it had received strong demand from investors under the Public Offer in excess of the full subscription amount of \$7,000,000 and extended the closing date of the public offer (and ancillary offers) to Monday 26 August 2019 to allow investors sufficient time to transfer funds and return application forms.

On 16 August 2019, the Company lodged a third supplementary prospectus with ASIC under which the Company announced that Pentium had entered into a hire agreement with Easternwell in which under the agreement, Easternwell will hire, on a dry hire arrangement, two rigs (and ancillary equipment) for use at BHP's mining operation in Olympic Dam, South Australia.

There is no other matter or circumstance that has arisen since 30 June 2019 other than mentioned above that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF  
VYSARN LIMITED

*Opinion*

We have audited the financial report of Vysarn Limited "the Company", which comprises the statement of financial position as at 30 June 2019, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the Directors' declaration.

In our opinion, the accompanying financial report of the Company is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the Company's financial position as at 30 June 2019 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

*Basis for Opinion*

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* "the Code" that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

*Key Audit Matters*

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report of the current period. These matters were addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

*Responsibilities of the Directors for the Financial Report*

The Directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

*Auditor's Responsibilities for the Audit of the Financial Report*

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

VYSARN LIMITED

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on the Remuneration Report**

*Opinion on the Remuneration Report*

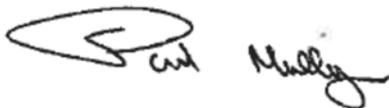

We have audited the Remuneration Report included in the Directors' report for the year ended 30 June 2019. In our opinion, the Remuneration Report of Vysarn Limited, for the year ended 30 June 2019, complies with section 300A of the *Corporations Act 2001*.

*Responsibilities*

The Directors of the Company are responsible for the preparation and presentation of the Remuneration Report in accordance with section 300A of the *Corporations Act 2001*. Our responsibility is to express an opinion on the Remuneration Report, based on our audit conducted in accordance with Australian Auditing Standards.
